

OUR HEART
IS *GLOBAL*

An aerial photograph of a coastal city and harbor, likely San Francisco, viewed from a high vantage point. The city is densely packed with buildings, and the harbor is filled with ships and piers. The sky is blue with scattered white clouds. The text "FOR HIS KINGDOM" is overlaid in white, serif font, centered in the lower half of the image.

FOR HIS
KINGDOM

One of my favorite quotes is from missionary martyr Jim Elliot, who was murdered trying to reach the unreached tribes of South America. He said, “He is no fool who gives up what he cannot keep to gain what he cannot lose.” Jim Elliot knew the cost of taking the Gospel to the ends of the earth and was willing to go ALL IN. That quote and his story continue to inspire me to go ALL IN for the sake of God’s Kingdom. As the world seems more chaotic with wars, disasters, and economic uncertainties, there has never been a better, or more needed, time to go ALL IN to build God’s Kingdom and for the advancement of the Gospel.

As a Kingdom Builder, your investment makes an eternal impact. This 2024 Kingdom Builders Vision Book contains the partners and projects that we get to be a part of all around the world.

Every time you give as a Kingdom Builder, you enable our global partners and ministries to respond to the chaos of our world with the peace, compassion, and hope of JESUS.

We give because God gave. We give so all can hear. We give because our heart is global. We give because we are going ALL IN. May the Lord fill you with faith to step into a new level of generosity this year. God promises us that sowing generously into His Kingdom will reap a harvest of righteousness.

We hope you will join our family in sowing richly into God’s Kingdom this year. We are going ALL IN. Will you?

For His Kingdom,

THREE

A man with a full beard and a white baseball cap worn backward is the central focus. He has a wide-eyed, open-mouthed expression of surprise or excitement. He is wearing a dark-colored t-shirt. In the background, a crowd of people is visible, slightly out of focus, suggesting a public event or gathering. The lighting is somewhat dim, with a spotlight effect on the man's face.

Every year, our kids and students spend a week or more at Lake Maurer for summer camp, in addition to the thousands of students across Missouri that attend six weeks of camp there every summer. This time and place is monumental in their journey with Jesus, and we are investing in critical infrastructure and remodeling to ensure Lake Maurer remains a meeting place with the Lord for generations to come.

GENEROSITY

If you're not a kingdom builder, but want to become one, we encourage you to take the first step: step into giving! Just start somewhere. Beyond tithing on a regular basis, start by giving a recurring gift that you think you can manage on a regular basis. It doesn't matter if it's not much at first. "Stepping in" is about creating a lifestyle of generosity—the important thing is to start!

step up

YOUR PLAN

If you've become a kingdom builder and have established a rhythm of generosity, it's time to step up your plan! We encourage you to take time to pray and ask God about a regular giving goal that you can't achieve on your own, but that He can help you accomplish. Pray about an amount, and feel free to discuss it with a mentor, spouse, or even your C2 Group! Once you feel that you and God have arrived at something, start being obedient and begin to give that amount. It's not the amount that matters, but learning obedience. Sometimes God waits for us to trust him and do what He says, and that's when we see Him provide in supernatural ways. Scan the QR below to hear from global partners we have been able to support together!

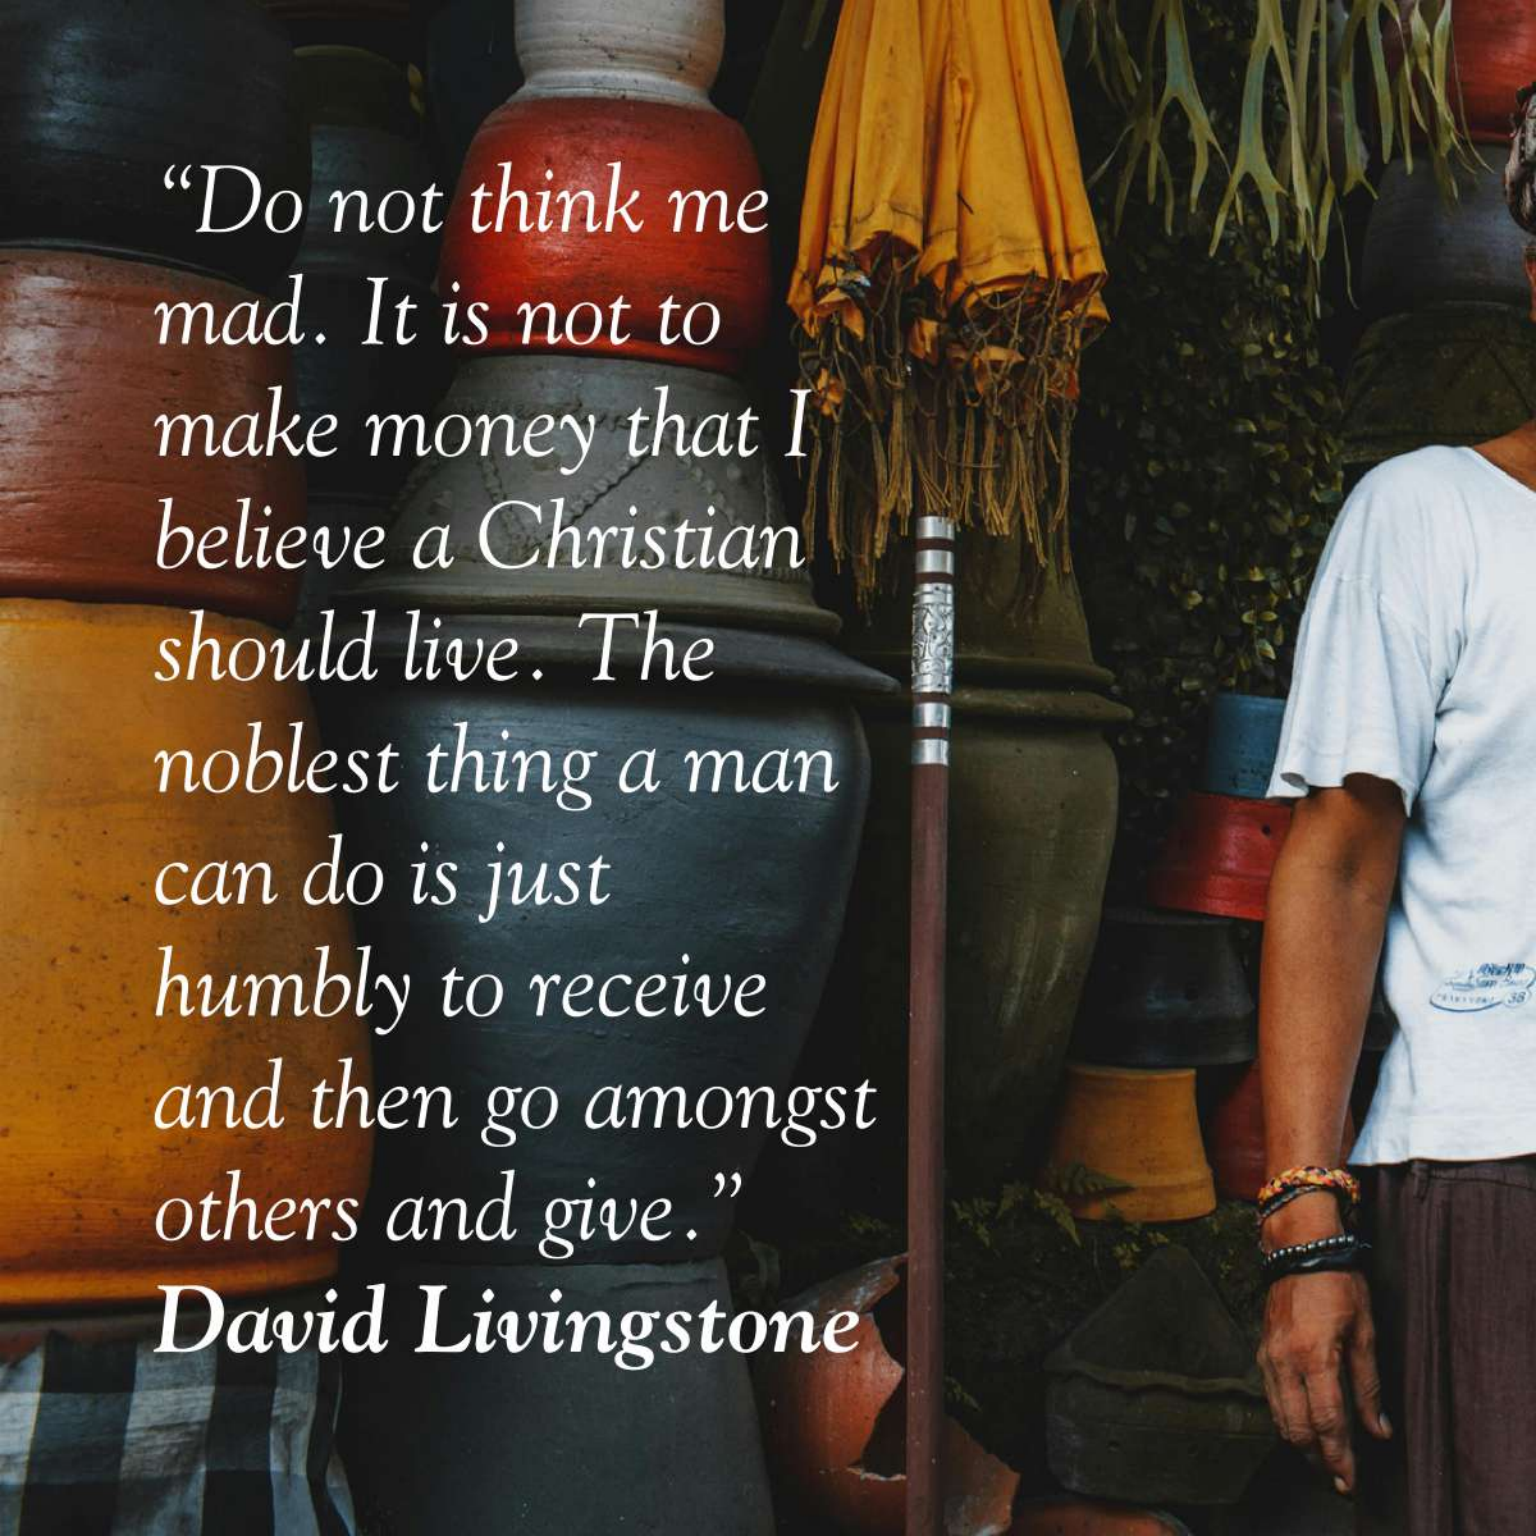

An aerial photograph of a historic European city, likely Bruges, Belgium. The image shows a dense cluster of buildings with red-tiled roofs and white facades. In the foreground, a market square is visible with green awnings and people. The text "step out BEYOND" is overlaid on the image in a white, serif font. "step out" is in a smaller, lowercase font, and "BEYOND" is in a larger, uppercase font.

BEYOND

If you've stepped up your plan, you've sacrificed in order to give more, and you've experienced God's faithfulness, it's time for you to write down your "beyond" amount. "Beyond" will look different for everyone, but whatever the amount is, it is the dream that scares you. This amount is the wild one that tempts you to laugh (or cry!) when you think of it. This is to be just between you and God to talk about while you continue to take steps of faith and obedience to him. You might be surprised at where God takes you as you rely on him! Scan the QR below to hear the story of two people who began the journey of dreaming "beyond."

A person wearing a white t-shirt and brown pants stands in a market stall. The stall is filled with large, colorful ceramic pots in shades of red, yellow, and black. A yellow umbrella with fringed edges is visible in the background. The person is wearing several bracelets on their left wrist. The text is overlaid on the left side of the image.

“Do not think me mad. It is not to make money that I believe a Christian should live. The noblest thing a man can do is just humbly to receive and then go amongst others and give.”

David Livingstone
