

Hello C2 Kids Families!

This month we will be looking at character in kids church. It is a big topic, but kids seem to get it even better than adults because they often see things through a right and wrong lense. I am so encouraged by how many of our kids are talking about Bible stories they are studying at home. Parents, you will always be your child's best example. The habits that you live out in front of them will be the normal patterns they will imitate. **Keep seeking God with your whole heart...your kids are watching!**

## C2 Kids Preschool

Marty and Shine help our kids answer the big question, "How can my heart match God's heart?" They will learn it happens as we get to know God! They will also learn this month's memory verse, "**...be ready to do what is good.**" **Titus 3:1.**

## C2 Kids Nursery

Our nursery is a vital ministry, providing a safe and loving environment for our youngest members while their parents grow in their faith. We're looking for caring adults to join our nursery team or our preschool team to volunteer just **once a month**. You can make a lasting impact on these little lives and bless their families! Talk to Michelle Crutcher or Jennifer Daack to join our team!
